Bambina

The new collection of professional coffee cups features a range of gentle colors that will elevate any coffee experience. Cups are designed with the needs of baristas and coffee professionals in mind, ensuring that they are both functional and stylish.

Colors are versatile and can be easily incorporated into any café's existing décor.

Each cup in the collection has been carefully crafted to ensure the perfect balance between aesthetics and functionality.

BAMBINA collection is the great choice for any time of day, from early morning coffee to an evening espresso.

It includes a range of sizes, from small espresso cups to larger cappuccino cups, ensuring that there is a cup for every need.

Overall, BAMBINA collection of professional coffee cups is the perfect addition to any coffee service, providing both style and functionality.
